Re: 804H-KC-93619, 01/11/2010

(U) On 01/11/2011, a file review was conducted in captioned matter. The purpose of the file review was to determine whether or not the assessment should be continued. In order to make this determination, the following were reviewed:

(U//~~FOUO~~) Several threats to members of the WBC in the past 90 days were reviewed, including a threat to set fire to the WBC; a white powder letter (WPL) threat to Phelps Chartered; at least two e-mail threats to WBC members; and the initiation of a [REDACTED] 2660-KC-93770) based on an imminent threat of violence toward members of the WBC. Due to the impending decision by the Supreme Court of the United States (SCOTUS) regarding First Amendment issues which involve WBC activities, it is recommended that this [REDACTED] remain open for the [REDACTED]

b7E

(U//~~FOUO~~) [REDACTED]

[REDACTED] For background, the WBC conducted more than 40,000 pickets in more than 780 U.S. cities the past 20 years. The message put out by WBC and its' members was that "God hates the United States due to the U.S. tolerance of homosexuality," and that, "U.S. soldiers are dying because of God's anger toward this tolerance of homosexual lifestyles being permitted in the U.S." Since June 2010, the [REDACTED] saw a dramatic increase in the number and severity of threats toward the WBC. The [REDACTED] developed relationships with leaders of the WBC in order to collect information regarding the source of these threats. As a result, the [REDACTED] has been able to provide intelligence to local, state, and Federal law enforcement partners where WBC members conducted their pickets.

(U//~~FOUO~~) The WBC activities evoke a strong emotional response from observers and a tendency towards violent threats directed at the WBC members. The WBC picketers are typically protected by a strong local and state law enforcement presence. These pickets also attract a large number of counter-protestors. Because of the potential for violence toward WBC during these pickets, and the potential for violent acts, this assessment warrants a 90-day extension to continue to collect intelligence regarding these threats. The case agent will work toward analyzing all threat data and drafting an intelligence report within the next 90-days.

Synopsis: The purpose of this communication is to address Grand Jury Subpoena issues which arose through the course of the captioned assessment.

Details: On 09/14/2010, the captioned assessment was opened to facilitate intelligence analysis and planning as it pertained to an increased flow of criminal threats directed towards the Westboro Baptist Church (WBC). Because the FBI cannot be content to wait for leads to come in through the actions of others, the writer used the most logical and least intrusive means possible to gather investigative information and develop leads in the instances of criminal threats described herein.

Threat to Burn WBC:

On 09/15/2010, the writer was contacted by [redacted] of a threatening e-mail to set fire to the Westboro Baptist Church (WBC). [redacted] forwarded the original message to the writer who pulled the IP Address from the e-mail message. The writer presented the facts of the threat to AUSA [redacted] who concurred with follow-up investigation. The writer requested Task Force Officer (TFO) [redacted] conduct logical investigation to identify the author of the threat and to determine the veracity of the articulated threat. In addition to conducting an Internet search for the owner of the originating e-mail address, TFO [redacted] submitted an Emergency Information Request (EIR) to Cox Communications. Cox Communications subsequently provided the name, physical address, and telephone number for the subscriber of the originating IP Address. After conducting logical database checks and conferring with local law enforcement partners, TFO [redacted] and Shawnee County Sheriff's Office (SNCOSO) Deputy [redacted] located the residence of the subject, conducted an interview of same, and obtained a confession from the author of the e-mail. The facts of the incident were presented to AUSA [redacted] who declined prosecution based on the fact the author of the e-mail was a minor. [NOTE: See full details in Serial 2 of the captioned file.]

b6
b7C

Cox Communications did not request a follow-up subpoena for the IP Address subscriber information. TFO [redacted] consulted with AUSA [redacted] who advised if the company did not require a subpoena, it would not be necessary to submit one to the company. Subsequently, no subpoena was issued for these records. The records received by Cox Communication were sent to the file attached to Serial 2.

Internet posting of a threat to kill WBC members, "THE PHELPSSES WILL GO DOWN:"

On 10/08/2010, the writer received information from the Kansas Bureau of Investigation (KBI) regarding an internet posting which included an articulated threat to members of the WBC. The writer was provided with the original posting which identified the author and originating IP Address. The writer conducted appropriate database checks in an attempt to further identify the author of the posting. The writer presented the facts of the threat to AUSA [redacted] who concurred with follow-up investigation.

We will need to have a long talk, whomever handles this and I. If this needs to be checked further and it's done in an indelicate fashion that brings a lot of heat down on Progressive Congress News, we get 600+ staffers saying "WTF?!?!", and that's visibility I don't need.

[REDACTED]

Today [REDACTED] announced that WBC's provider has seized their domains. I'm not sure exactly what he means by this, he didn't go into details, but the message indicates to me he's calling it a total victory.

There was also a detailed write up of social engineering methods applied to someone who was tormenting them on Twitter. There might be some additional counts in there but I was more interesting in all the details, which will nail down where and when they access the net.

Subject: Westboro Baptist DDoS - recap

[REDACTED]

Thanks for taking the time to talk with me today. I'll apologize in advance for this crapstorm I've been dropping in your mailbox.

Westboro Baptist is under attack by [REDACTED], an Islamophobic nationalist hacking group. This group is comprised of [REDACTED] and others I can't name. I believe both of the known members are [REDACTED] residents. I believe one of them or a third member whose name I do not have is both a Northrop Grumman employee and contracted to the state of Montana in some IT function. [REDACTED] and [REDACTED] together are [REDACTED]

[REDACTED] I have provided screen shots, PDFs, Doc files, and a FreeMind mindmap to help clarify this. b6
b7C

Here, from my admittedly sketchy memory, is the flow of events that led to my paying attention to [REDACTED] at this level.

1. [REDACTED] is an old friend of mine, [REDACTED]
[REDACTED] I was listed as a social media scientist, a fair enough description of what I do.

2. [REDACTED] came to stay with me in November 2010 [REDACTED] While with me I [REDACTED]

b6
b7C

3. [REDACTED] a former black hat associated [REDACTED]
[REDACTED] ran a complex operation in November and penetrated [REDACTED] perimeter, learning that [REDACTED] and [REDACTED] were involved.

4. I have no direct knowledge of why [REDACTED] noticed them, but [REDACTED]
[REDACTED] at the time.

5. [REDACTED] approached DoJ chief scientist [REDACTED] with his findings. Investigative work isn't part of [REDACTED] so the information got routed to [REDACTED]
[REDACTED]

6. [REDACTED] the initial interview with [REDACTED] This was wrote up on [REDACTED]
[REDACTED] and I no longer have access to the notes.

b6
b7C

7. I learned [REDACTED] and [REDACTED] names from [REDACTED] then [REDACTED] himself was compromised by a person on Twitter known as [REDACTED] I had already noted [REDACTED]
[REDACTED] contact info, intending to call her as she and I both worked in social media.

I forget the particulars, but it was obvious to me the person that [] and [] were seeking was her. I did not share her name.

b6
b7C

8. A little bit of digging turned up [] and [] where they were discussing [] in a technical fashion. A very small, very shy bird who's name I've forgotten advised that [] was connected with the intelligence community and that I should find some other way to spend my time, which I promptly did.

9. I pointedly and repeatedly suggested to both [] and [] that they abandon their theory that [] had learned [] name via an FBI leak. They kept digging.

10. I intervened in many different ways, attempting to get people to stop feeding [] information and start the process required to get him into assisted living. This involved a message to [] among other things, which set off that long, muddled email exchange in which [] and [] were copied. I was unsuccessful and [] remains in the wild, but I severed contact, being unwilling to participate in any more of his drama.

b6
b7C

11. [] remained on my radar due to a series of tweets from [] South Carolina. This man threatened me directly in the weeks before the 2010 midterm and was investigated by the FBI hate crimes group. His connection to [] is tenuous, a single series of tweets naming [] which included one of the pseudonyms associated with the group.

==== time passed ===

I became aware of the HBGary breakin and shortly thereafter the involvement of one [] heroin addict, author of peculiar books, and [] [] and I are connected by being [] by both of us leading unrelated media projects, and by the fact that we've both come under attack by [] We had talked several times about [] I attended one conference call for his media project, and I thought it was going nowhere so I had let the connection slide.

b6
b7C

[] repeatedly suggesting that he find something else to do with his time. He filled me in on the news of [] and we didn't talk again until [] A portion of the information I have on that group came from him, including a chat log he forwarded to me.

Westboro Baptist Church Picket Schedule

Bramlage Coliseum in Manhattan, KS *May 14, 2011 7:45 AM - 8:30 AM*

It has been another year that the Lord has mercifully given this place a chance to repent and obey. Instead another class of rebels are graduating. WBC will be there waving our banners high and proclaiming the standards of God in the earth! You fools have been given the impression that since you have been gotten through a little higher education that you have some wisdom.

The fear of the LORD is the beginning of wisdom: a good understanding have all they that do his commandments: his praise endureth for ever. Psalm 111:10

There is no wisdom in this group of graduates because there is no fear of the LORD so we will bring you the bread of life. your only hope. Obey or perish!!

Ponderosa High School Graduation in Parker, CO *May 19, 2011 7:15 AM - 8:00 AM*

WBC will picket the Ponderosa High School Graduation to tell the graduates the truth for once in their miserable, worthless lives. Specifically, his ribs, Ryan Wheeler, who took up pen to lie about God and His servants at WBC, and to show his complete ignorance of Doomed American law and history. His parents and teachers must be so proud of his advocating for the repeal of the First Amendment on the altar of worshipping dead soldiers. That "old piece of paper" (the United States Constitution) is a beautiful garment with which God Almighty clothed this ungrateful, rebellious nation. You despise all of God's blessings, so you will have none of them! It's all curses all day for you rebels.

Moreover all these curses shall come upon thee, and shall pursue thee, and overtake thee, till thou be destroyed; because thou hearkenedst not unto the voice of the LORD thy God, to keep his commandments and his statutes which he commanded thee. (Dt. 28:45.)

You have made the youth of this nation absolutely good for nothing but destruction -- fodder for the killing fields of Iraq and Afghanistan. *Therefore will I number you to the sword, and ye shall all bow down to the slaughter: because when I called, ye did not answer; when I spake, ye did not hear; but did evil before mine eyes, and did choose that wherein I delighted not. (Isa. 65:12.)*

The words WBC brings to you today are life and health to anyone who will hear and heed. Your only hope is to repent (stop your filthy sinning) and obey God. We recommend it! Thank Ryan for inviting us!

University of Denver Hillel (Merage & Allon Hillel Center) in Denver, CO *May 19, 2011 9:15 AM - 9:45 AM*

WBC will picket the apostate Jews at the University of Denver Hillel, where they teach their traditions instead of the commandments of God.

And he said unto them, Full well ye reject the commandment of God, that ye may keep your own tradition. ... Making the word of God of none effect through your tradition, which ye have delivered: and many such like things do ye. (Mk. 7:9, 13.)

Like your namesake, you have made it their life's work to lie to as many people as they can about the truth of God. Heli is too long. Jews; STOP THE LIES! Admit you killed Jesus Christ because He said He was the son of God, and you hated him for that! Repent and mourn for that great sin! The time is short -- the fullness of the gentiles is almost come in, and the 144,000 righteous Jews will be saved. The rest of you hard-hearted Jews will face the worst destruction ever, making the holocaust look like a tea party!

You know these things are true -- your prophets, apostles and Jesus Christ told you. Are there any good figs in Denver?

Then said the LORD unto me, What seest thou, Jeremiah? And I said, Figs; the good figs, very good; and the evil, very evil, that cannot be eaten, they are so evil. (Jer. 24:3.)

Have any of you Denver Jews been given eyes to see, ears to hear and a heart to understand and love your God? We hope so, and we'll see you soon to find out. Lord willing!

Denver Islamic Society in Denver, CO *May 19, 2011 10:00 AM - 10:30 AM*

WBC will picket the Muslims at the Denver Islamic Society to remind everyone that your violence changes exactly nothing. Islam is, always has been and always will be a false religion concocted by a pedophile to serve his lusts. All those who blindly follow this fool's teachings are headed to the same hell Muhammad landed in the second he quit this earth.

Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles? Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth

evil fruit. A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit. Every tree that bringeth not forth good fruit is hewn down, and cast into the fire. Wherefore by their fruits ye shall know them. (Mt. 7:15-20.)

What were Muhammad's fruits? He had multiple wives (including a 6-year-old) when God's standard is one man, one wife, for life.

And said, For this cause shall a man leave father and mother, and shall cleave to his wife: and they twain shall be one flesh? Wherefore they are no more twain but one flesh. What therefore God hath joined together, let not man put asunder. (Mt. 19:5-6.)

More importantly, he denied that Jesus Christ was the son of man. *But whosoever shall deny me before men, him will I also deny before my Father which is in heaven. (Mt. 10:33.)*

Muhammad is a false prophet. Deal with it! He's not going to be able to help you when you stand before the Judgment Seat! Run, don't walk, from this place! Repent and obey God TODAY!

Johnson County Community College in Overland Park, KS May 20, 2011 6:45 AM - 7:30 AM

Yet another year has gone by with the opportunity for another class to run from their sins. They instead continue to wallow in their proud sins with no thought of obedience or repentance. WBC will be there to waive her banners high and shine some truth on the situation. You think that finishing up a college education gives you wisdom. It means nothing in the eyes of God!

If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him. James 1:5

That is the only graduation gift you should be seeking. Obey or perish!

Eudora High School in Eudora, KS May 21, 2011 10:15 AM - 11:00 AM

WBC to picket the Eudora High School Graduation. Another year has past and the Lord your God has given you an opportunity to repent and obey. Instead, another group of brats and brutes have been raised to be let loose on society. They have no idea how to obey or repent of their sins. The parents, teachers, preachers, and leaders are to blame for that mess. They are taught that their feelings run the day. God hates your feelings! He loves a contrite and humble heart! Those children don't even know what that is. WBC will be at your graduation to give these children the bread of life!

For thus saith the high and lofty One that inhabiteth eternity, whose name is Holy; I dwell in the high and holy place, with him also that is of a contrite and humble spirit, to revive the spirit of the humble, and to revive the heart of the contrite ones. Isaiah 57:15

Heed the warning! Obey or Perish!

KU Lied Center in Lawrence, KS May 21, 2011 12:15 PM - 1:00 PM

WBC to picket the KU law graduation. Another year has past and another class has come forth to step up and become the leaders of this rebellious nation. But, because you are a rebellious people you have been cursed. You have been taught, against your own interest, to try every way to shut up the people of God. Here are some good concepts to consider:

Psalms 1:1 Why do the heathen rage, and the people imagine a vain thing? 2 The kings of the earth set themselves, and the rulers to take counsel together, against the LORD, and against his anointed, saying, 3 Let us break their bands asunder, and cast away their cords from us. 4 He that sitteth in heaven shall laugh: the Lord shall have them in derision. 5 Then shall he speak unto them in his wrath, and vex them in his sore displeasure.

1 Chronicles 16:21 He suffered no man to do them wrong: yea, he reproveth kings for their sakes, 22 Saying, touch not mine anointed, and do my prophets no harm.

Heed the warning! Obey or Perish!

Christ Church in Savannah, GA May 22, 2011 10:00 AM - 10:30 AM

WBC to picket Christ Church. Doomed Americans build their high places on every corner and under every tree to try to save their screaming consciences.

For they also built them high places, and images, and groves, on every high hill, and under every green tree. 1 Kings 14:23

You think that if you build enough "churches" that God will overlook your disobedience. There is no obedience with a woman preacher. You cause the angels to weep!

Let the woman learn in silence with all subjection. But I suffer not a woman to teach, nor to usurp authority over the man, but to be in silence. 1 Timothy 2:11-12

Obey or Perish!

KU Memorial Stadium in Lawrence, KS May 22, 2011 10:15 AM - 11:00 AM

WBC will picket the graduation session at KU. Not many more classes to left to graduate as this is the last generation. The parents, teachers, preachers, and leaders have assured that by teaching lies to these young adults. They have institutionalized sin and are setting them free into a world that has no jobs, no money, no future, no hope. The only hope they have is to listen, for once, to the words of life from the faithful servants of WBC. We will be at your graduation to show you God's standard- the best graduation present you could ever ask for! We know that everyone that has come in contact with you in your lives has lied to you, but now you have come to years and will have no excuse for not knowing the standards of God. Pick up the only book that matters in these last days, the Bible, and read it.

Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. 2 Timothy 2:15

Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man. Ecclesiastes 12:13

Obey or perish!

First Baptist Church in Savannah , GA May 22, 2011 10:30 AM - 11:00 AM

WBC to picket First Baptist Church, Savannah, GA. False prophets rule by their own means and the people love to have it so.

The prophets prophesy falsely, and the priests bear rule by their means; and my people love to have it so: and what will ye do in the end thereof? Jeremiah 5:31

What will you do? You have no excuses when you stand before the Great White Throne. You have paid those false prophets to lie to you in order to justify your sins. If they tell you what you want to hear you think that you can go on sinning day after day with no consequences. There is no forgiveness without repentance. Repentance means STOP your sin! Change your mind and change your conduct.

For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; And they shall turn away their ears from the truth, and shall be turned unto fables. 2 Timothy 4:3-4.

Obey or Perish!

Savannah Christian Church in Savannah, GA May 22, 2011 10:30 AM - 11:00 AM

WBC to picket the Savannah Christian Church. The Lord your God has sent you a strong delusion that you would believe the lies that your so-called preachers tell you. You lap up the fables of God loves everyone and it's ok to be gay because you have no standing to dispute them. They make you feel good and allow you to think that your sins are by far better than the next guy so no reason to put them away and obey.

Know therefore that the LORD thy God, he is God, the faithful God, which keepeth covenant and mercy with them that love him and keep his commandments to a thousand generations; And repayeth them that hate him to their face, to destroy them; he will not be slack to him that hateth him, he will repay him to his face. Deuteronomy 7:9-10

You have turned from serving the Lord to serving idols of every kind (think Easter bunnies and american flags.) Your destruction is imminent! Obey or Perish!

Savannah Christian Church in Savannah, GA May 22, 2011 10:30 AM - 11:00 AM

WBC to picket the other Savannah Christian Church as well. Because you pay your preachers to preach lies your churches are full of divorce and remarriage. (which is adultery.) and fags, (which is the abomination of desolation.)

Whosoever putteth away his wife, and marrieth another, committeth adultery; and whosoever marrieth her that is put away from her husband committeth adultery. Luke 16:18

For the LORD, the god of Israel, saith that he hateth putting away: for one covereth violence with his garment, saith the LORD of hosts: therefore take heed to your spirit, that you deal not treacherously. Malachi 2:16

Satan must have lying prophets to deceive the whole world and take this world to its FINAL destruction. Your destruction is imminent. Obey or Perish!

Cathedral of St. John the Baptist in Savannah, GA May 22, 2011 11:30 AM - 12:00 PM

WBC to picket the Cathedral of St John the Baptist. Priests rape boys! How filthy can you be? The Catholic Church is the largest, most well-funded and organized pedophile machine in the world. Every person who goes into that place and puts money in the plate is responsible for the sins of those evil priests, bishops, cardinals, and the pope himself! You hate your children! You would rather be lied to and have your children raped than to give even one thought to obeying God. Shame on you! You should RUN from that place and NEVER step foot into it again. Instead you pay the priest to rape your child so that you don't have to quit sinning your own self.

The prophets prophesy falsely, and the priests bear rule by their means; and my people love to have it so; and what will ye do in the end thereof? Jeremiah 5:31

St. John's Episcopal Church in Savannah , GA May 22, 2011 11:30 AM - 12:00 PM

WBC to picket St. John's Episcopal Church. You will eat your babies! You have trusted in lies and refused to obey your God and serve Him only. Instead you pay the preachers to lie and tell you the things you want to hear so that you can continue on in your sins.

Because thou servedst not the LORD thy God with joyfulness, and with gladness of heart, for the abundance of all things, ... thou shalt eat the fruit of thine own body, the flesh of thy sons and of thy daughters, which the LORD thy God hath given thee, in the siege, and in the straitness, wherewith thine enemies shall distress thee: So that that man that is tender among you, and very delicate, his eye shall be evil toward his brother, and toward the wife of his bosom, and toward the remnant of his children which he shall leave: So that he will not give to any of them of the flesh of his children whom he shall eat: because he hath nothing left him in the siege, and in the straitness, wherewith thine enemies shall distress thee in all thy gate. Deuteronomy 28:47, 53-55

The Avenger is on the way! Obey or Perish!

Beach High School in Savannah, GA May 27, 2011 2:30 PM - 3:00 PM

WBC to picket Beach High School. We will give your children an opportunity to see what truth looks like, the face of what they were entitled to have from every adult that ever touched their lives! You brutish teachers and hateful parents have broken the moral compasses of this generation, teaching rebellion with everything you say and do. These children come out of these schools so full of themselves that they think they actually have some wisdom to impart. You have made them dirt dumb about the only thing that matters, i.e. the commandments of God.

The fear of the LORD is the beginning of wisdom; a good understanding have all they that do his commandments; his praise endureth for ever. Psalm 111:10

Obey or Perish!

Jenkins High School in Savannah, GA May 27, 2011 2:30 PM - 3:00 PM

WBC to picket Jenkins High School. God hates you. Doomed America, for what you have done to your kids! You have fully neglected and run away from your Deuteronomy 6 duty to your children. You have caused them to be totally ignorant of the standards of God. Most of these children probably have no idea what a Bible is, much less how to read one! Shame!

And these words, which I command thee this day, shall be in thine heart: And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up. And thou shalt bind them for a sign upon thine hand, and they shall be as frontlets between thine eyes. And thou shalt write them upon the posts of thy house, and on thy gates. Deuteronomy 6:6-9

Step away from taking gods and idols and teach these children some truth and we won't have to do it for you! Obey or Perish!

Windsor Forest High School in Savannah, GA May 27, 2011 2:30 PM - 3:00 PM

WBC will picket Windsor Forest High School. You will not obey the simple commandments of God. (Deut 6:6-9) so God has given you freakish, violent, worthless, brute-beast children. They are full of rebellion, arrogance, pride, selfishness, and themselves. You hate your children, and as God continues cursing you, you will turn aside to eat those children.

And if ye will not for all this hearken unto me, but walk contrary unto me; Then I will walk contrary unto you also in fury; and I, even I, will chastise you seven times for your sins. And ye shall eat the flesh of your sons, and the flesh of your daughters shall ye eat. Leviticus 26:27-29

The LORD your God is just getting warmed up with the storms/tornadoes in the south. Heed the warning! Obey or Perish!

Jewish Community Center in Savannah, GA May 27, 2011 4:30 PM - 5:00 PM

WBC to picket the Jewish Community Center. You have filled modern Jewry with abominations, forsaken God and broken His covenant - replacing all of this with your traditions. He has promised you curses for that! You thought the curses of the past year were bad (the flotilla incident, Goldstone report, boycotts of Israel and Israeli goods by major entertainers and companies worldwide, relationship crisis with the White House - and more.) but you haven't seen anything yet! The Lord your God promised that if you forsook His law He would destroy your substance, multiply your sickness and plagues, expel you from off the land and cause you to eat your children. As God rejoiced to do you good, He now rejoices "to destroy you, and bring you to nought." Deuteronomy 28:63. God hates your traditions! You have replaced the commandments of God with your traditions. It never once crosses your mind to just simply obey those commandments. Shame!

Making the word of God of none effect through your tradition, which ye have delivered; and many such like things do ye. Mark 7:13

Let us hear the conclusion of the whole matter: Fear God, and keep his commandments; for this is the whole duty of man. Ecclesiastes 12:13

Obey or Perish!

Congregation Mickve Israel in Savannah, GA May 27, 2011 5:30 PM - 6:00 PM

WBC to picket Congregation Mickve Israel. We are looking for some good figs! Those Jews that God will give the spirit of repentance for killing their Saviour. Jews killed Jesus! and must repent for that awful sin! That precious 144,000 will come forth shortly and we shall rejoice with them for the mercy of our God.

And I heard the number of them which were sealed; and there were sealed an hundred and forty and four thousand of all the tribes of Israel. Revelation 7:4

Come forth little sheep. Obey or Perish!

Bnai Brith Jacob Synagogue in Savannah, GA May 27, 2011 6:15 PM - 6:45 PM

WBC to picket Bnai Brith Jacob Synagogue. God has blinded your leaders such that they stagger like drunks!

They grope in dark without light, and he maketh them to stagger like a drunken man. Job 12:25

God has confounded your leaders and they've led you astray. Now, you've fulfilled this prophecy, and God is cursing you!

...this people will rise up, and go a whoring after the gods of the strangers of the land, whither they go to be among them, and will forsake me, and break my covenant which I have made with them. Then my anger shall be kindled against them in that day, and I will forsake them, and I will hide my face from them, and they shall be devoured, and many evils and troubles shall befall

them...And I will surely hide my face in that day for all the evils which they shall have wrought, in that they are turned unto other gods. Deuteronomy 31:16-18

Will this be the place that a good fig will come forth? We will be looking. Obey or Perish!

Lawrence High Stadium in Lawrence, KS May 29, 2011 12:15 PM - 1:00 PM

WBC to picket the high school graduation at Lawrence High School. The only hope these kids have is for us to come to their school and show them some truth for once in their miserable lives. The parents, teachers, preachers, and leaders of this God forsaken land have raised a group of brats and brutes. These children think that the world owes them something just because they are breathing! That is your fault. You failed in your Deuteronomy 6 duty to teach these children the commandments of God and what is required of them in this life. Namely obedience. Obedience to those that rule over them and most importantly obedience to God. You have left it up to the faithful servants of WBC to show them this standard. When they don't listen, that will be on your hands as well.

And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might. And these words, which I command thee this day, shall be in thine heart: And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up. And thou shalt bind them for a sign upon thine hand, and they shall be as frontlets between thine eyes. And thou shalt write them upon the posts of thy house and on thy gates. Deuteronomy 6:5-9

Obey or Perish!

Lawrence Free State Athletic Stadium in Lawrence, KS May 29, 2011 3:15 PM - 4:00 PM

WBC to picket the Lawrence Free State High School Graduation. Another year past and another pack of brute beasts coming from the school system to enter into a society with no jobs, no money, and no hope. These children need the words of the faithful servants at WBC more than they need air to breathe or water to drink. We will bring the bread of life to these children and they will roundly reject it. That is because the parents, teachers, preachers, and leaders of this doomed society have taught them, from the cradle, that it is ok to sin as long as it makes them feel good. They are taught that God is a liar when he says *Thou shalt not kill (Exodus 20:13.)* You teach them to fornicate their brains out - just make sure to stop by and pick up a condom and some birth control. And, oh, if you accidentally make a baby - it's ok to go ahead and kill it. They are taught that God is a liar when you say it's ok to be gay. God says *Thou shalt not lie with mankind as with womankind, it is abomination (Leviticus 18:22.)* Their feelings run the day. No thought of obedience, no thought of repentance. I wish for these children to pick up a Bible and actually read the words. We will be there to help them understand what that truly is in this life.

Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man. Ecclesiastes 12:13

Heed the warning! Obey or Perish!

Arlington National Cemetery in Arlington, VA May 30, 2011 9:00 AM - 11:00 AM

WBC to picket doomed America's worship of the dead "heroes." We have experience with the military in this country. They are filthy, vile, self-worshipping boasters. All bad all the time. It is a lie that the military of this country is filled with brave, self-sacrificing patriots. They are incompetent cowards and bullies. Perverts of every sort. They fight for the perverts of this nation to murder their babies, to "martyr" their flag partners, and to commit whoredoms & abominations of every kind. The Lord no longer builds the American house; nor does the Lord watch over and protect America. (Psalm 127:1) The soldiers are dying for the sins of this nation. You have made God your enemy and He, Himself is fighting America.

They chose new gods: then was there war in the gates. Judges 5:8

National Memorial Day Parade in Washington, DC May 30, 2011 12:30 PM - 1:30 PM

WBC to picket the National Memorial Day Parade. What shame! You continue to flip off the Lord your God with this proud in-your-face idol worship. We have been on your streets for 20+ years now warning you to turn from your sins. Not only have you refused to do so, but you put together these idol worshipping fests where you parade up and down main street (literally) flaunting every form of filth, worshipping your two favorite idols - the flag and the dead soldier. There are not enough flags in the world to bring back one of those dead soldiers. Put the flag down - back away, and start mourning for your sins! You won't, we know. You have no thoughts of repentance. No thoughts of obedience. Your destruction is imminent. Obey or Perish!

Destruction cometh; and they shall seek peace, and there shall be none. Ezekiel 7:25

Sprint Center in Kansas City, MO May 31, 2011 7:15 AM - 8:00 AM

WBC will picket the "Get Motivated" Seminar at the Sprint Center, where the roster of the damned -- Colin Powell, Steve Forbes, Joe Montana, Howard Funtam, Laura Bush, Bill Cosby, Bob Schuler, John Walsh, Rudy Giuliani, Gen. Stanley McChrystal and Box Harrison -- are causing the people to trust in lies and walk in the light of their own sparks.

Behold, all ye that kindle a fire, that compass yourselves about with sparks; walk in the light of your fire, and in the sparks that ye have kindled. This shall ye have of mine hand; ye shall lie down in sorrow. (Isa. 50:11.)

The only message of hope and motivation is the one WBC will deliver with bright signs on the public sidewalk outside, to wit: Repent, Obey and Turn From Your Sins! America has sinned away her day of grace, and is without any hope. The only remedy is full destruction.

And the LORD God of their fathers sent to them by his messengers, rising up betimes, and sending; because he had compassion on his people, and on his dwelling place: But they mocked the messengers of God, and despised his words, and misused his prophets, until the wrath of the LORD arose against his people, till there was no remedy. (2 Ch. 36:15-16.)

That said, if any of you are given an ear to hear, eyes to see and a heart to understand and love your God, come out from among them and be separate and do not partake of their sins!

And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. (Rev. 18:4.)

Potential Criminal Activity Alert

Kansas City Field Office

27 May 2011

(U) UPDATE/CORRECTION - Potential for Violence: Planned 29 May 2011 Counter-Protests Against Westboro Baptist Church in Joplin, Missouri

(U//~~LES~~) FBI Kansas City Division is releasing this report to correct names in paragraph seven and to provide the location of the planned Westboro Baptist Church (WBC) protest.

(U//~~LES~~) According to the FBI, WBC leaders will be in Joplin, Missouri on 29 May 2011 to picket a memorial service for tornado victims, which President Obama and Missouri Governor Nixon are reportedly planning to attend. The FBI advised WBC leaders they will face an atmosphere with the potential for violence, which could come from any number of groups - sovereign citizen groups, militia groups, white supremacist extremist groups, lone offenders and/or outlaw motorcycle gangs - who follow the WBC website looking for an opportunity to counter-protest. As Joplin law enforcement resources are strained from the tornado devastation and recovery efforts, WBC leaders will face a real and present danger, which translates to threats to law enforcement officials and innocent bystanders.

(U//~~LES~~) WBC members advised the FBI they will be stationed in a parking lot adjacent to Building 32 on the campus of Missouri Southern State University (MSSU). The planned WBC picket is scheduled from 12:00pm-1:00pm, and the members plan to have six vehicles with 30

It is being shared for informational purposes but has not been fully evaluated, integrated with other information, interpreted, or analyzed. WBC members, with several children under age 18. The WBC leaders have received a high number of e-mail threats compared to previous WBC protests and do not seem deterred by any of the Internet discussions against their planned picket.

(U//~~LES~~) According to Internet postings, the Central Missouri Militia group indicated possible counter-protests against the 29 May 2011 WBC protest in Joplin. Recent statements from Central Missouri Militia followers were indicative of possible violent intentions toward the WBC leaders.

(U//~~LES~~) According to Missouri law enforcement reporting [redacted] and current Elite National Socialist Patriot Group Battalion 14 member - advised of planned travel to Joplin, Missouri, on 29 May 2011. It is unknown if [redacted] and Battalion 14 plan to counter-protest or march alongside WBC.

b6
b7C

(U//~~LES~~) According to Internet postings, leaders of the Heartland Peace Rally further advised of hosting a peaceful counter-protest to WBC, and plans to line both sides of Rangeline Road to Newman Street and MSSU with the intention of blocking WBC from view of the memorial service at 1:00pm. The rally leaders advised there are 8,000 parking spots at the NorthPark Mall in Joplin for rally attendees. Heartland Peace Rally Internet postings have generated over 12,500 comments thus far.

(U//~~LES~~) The possibility for lone offenders committing violent acts also exists in Joplin. According to the FBI, [redacted] a self-proclaimed "individual sovereign" from [redacted] Kansas may have already traveled to Joplin to "assist" in disaster relief. [redacted] is on the FBI Watchlist, is anti-law enforcement, anti-government and considered armed and dangerous. Synopsis: The purpose of this communication is to memorialize the results of a threat assessment conducted regarding a planned WBC picket in Joplin, Missouri and to claim statistical accomplishments.

Details: On 05/24/2011, the writer became aware that members of the Westboro Baptist Church (WBC) planned to travel to Joplin, Missouri on Sunday, 05/29/2011 to conduct a picket. According to [REDACTED] she had not been able to make their usual notification and coordination with the Joplin, Missouri Police Department (JMPD). However, on 05/26/2011, [REDACTED] made contact with JMPD Sgt. [REDACTED]

According to [REDACTED] Sgt. [REDACTED] arranged for a picket site in a parking lot adjacent to building number 32 on the campus of Missouri Southern State University (MSSU). On 05/27/2011, [REDACTED] advised WBC planned to send approximately 30 members in six (6) vehicles to Joplin on Sunday, 05/29/2011. The picket was planned to begin at 1200 hours and conclude at approximately 1300 hours. The group planned to drive from Topeka, Kansas to Joplin, Missouri and return the same day. [REDACTED] advised there was talk of reducing the number of vehicles to three (3) with a consequential reduction in the

number of WBC members as well. She agreed to contact the writer when this latter decision was final.

During the week of 05/24/2011 through 05/27/2011, the writer shared information regarding the WBC picket plan in Joplin with FBI and Law Enforcement and Intelligence entities in Kansas and Missouri. The writer has likewise conducted open source searches on the Internet for threat streams toward the WBC picket. The writer also received input regarding potential threats to the WBC picket from Outlaw Motorcycle Gangs (OMG), Anti-Government groups, Militia groups, and White Supremacist Extremist (WSE) groups. The writer assessed there was a significant threat of violence toward WBC at this event.

On 05/27/2011, the writer and Lt. [redacted] Topeka, Kansas Police Department (TKPD), met with [redacted] and [redacted] regarding the current threat assessment to this event. The writer informed [redacted] and [redacted] the group faced a real and present danger during this picket due to law enforcement (LE) resources being stretched to the limit from recent natural disaster in Joplin. The writer expressed concern that LE in and around Joplin would have adequate available resources to protect them given the current threat atmosphere.

b6
b7C

The writer informed [redacted] and [redacted] the current threat to their planned picket, although unidentified from a specific individual/group, was nonetheless considered high compared to past planned pickets. The writer planned to continue monitoring the situation and disseminate information as appropriate.

"Amazon.com for Drugs"

There is an underground website which lets you buy any drug you want, legal or illegal, accessed through a peer-to-peer anonymous network called Tor. "Silk Road, a digital black market that sits just below most

internet users' purview, does resemble something from a cyberpunk novel. Through a combination of anonymity technology and a sophisticated user-feedback system, Silk Road makes buying and selling illegal drugs as easy as buying used electronics — and seemingly as safe. It's Amazon — if Amazon sold mind-altering chemicals," says www.gawker.com by Adrian Chen. Thankfully, getting to the black market site Silk Road, one would need to go through Tor, which requires technical skill to configure. To buy something on Silk Road, you need to buy Bitcoins, using an exchange service. Once there, you create an account, make a deposit, and start buying drugs. It's not for the average street dooper, but it can be done by computer-savvy dealers, and is something law enforcement needs to be aware of.

Westboro Baptist Church

While en route to Joplin last Sunday, when President Obama was scheduled to visit there, unverified information is that while refueling at a truck stop, the three WBC vehicles were boxed in by a tractor-trailer operator, which caused a delay in their arrival.. WBC had been advised by police contacting their attorney that there were thousands of counter-protestors at MSSU, including OMG's, and their safety could not be guaranteed. In the end, WBC aborted their picketing mission before arriving in Joplin.

U.S. To Use Social Media

Since September 11, 2001, the United States has used a color-coded system with five categories to alert the citizens about the threat level currently affecting their

lives. The problem with that system is determining how to disseminate the information to the general population.

Recently, the U.S. government announced they were working on a plan to modify or do away with the five-color category alert system. Now, the U.S. has decided on a strategy that will incorporate a way to gain the attention of the everyday American: social media. Social media, specifically Facebook and Twitter, have exploded in recent years, becoming the next-generation method of communication. Everyone from elementary-aged children to grandparents seems to have an awareness these days of the social media boom.

The progression on the behalf of the U.S. government to distribute timely messages utilizing social media seems a natural fit. There will be only two levels of threat: elevated and imminent, which will be relayed to the public only under certain circumstances for limited periods of time, meaning that each threat level will have a well-defined expiration date.

continued. In order to make this determination, the file was reviewed and the following observations noted.

(U//~~FOUO~~) During the file review period, several threats were received by members of the WBC. On 01/11/2011, FBI Omaha related threats made by [redacted] towards members of WBC. On 02/04/2011, threats received by WBC through emails resulted in the initiation of [redacted] On 02/18/2011, WBC reported another email threat resulting in the opening of [redacted] On 02/18/2011, WBC forwarded additional emails containing threats against them. At first blush, they appear to have resolved from an IP address in Moscow, Russia. On 03/03/2011, Topeka Police Department received a CrimeStoppers tip regarding more threats towards WBC allegedly made by [redacted] a member of the Hell's Angels. In March 2011, the WBC was the victim of a disruption denial of services (DDOS) by an unknown hacker.

b6
b7C
b7E

(U//~~FOUO~~) On numerous occasions during the file review period, SA [redacted] disseminated WBC planned picketing activities to LEO's in other jurisdictions in order that they might be prepared for counter-protesters and any accompanying violence. Among those instances was the 01/14/2011 planned protest of funerals in Tucson, AZ following the shooting of Congresswoman Gabrielle Giffords and others; on 01/27/2011, when WBC picketed the speech of U.S. Supreme Court Justice Sotomayor in Manhattan, KS; on 02/13/2011, when WBC picketed the Grammy's in Los Angeles, CA; and on 02/23/2011 when they picketed at the Islamic Society of Tampa, Tampa, FL.

(U//~~FOUO~~) The authorized purpose and objective of this assessment was to identify any threats and vulnerabilities toward members of the WBC. For background, the WBC conducted more than 40,000 pickets in more than 780 U.S. cities the past 20 years. The message put out by WBC and it's members was that "God hates the United States due to the U.S. tolerance of homosexuality," and that, "U.S. soldiers are dying because of God's anger toward this tolerance of homosexual lifestyles being permitted in the U.S." Since June 2010, the [redacted] has seen a dramatic increase in the number and severity of threats toward the WBC. The [redacted] developed relationships with leaders of the WBC in order to collect information regarding the source of these threats. As a result, the [redacted] has been able to provide intelligence to local, state, and Federal law enforcement partners where WBC members conducted their pickets.

Re: 804I-KC-93619, 06/14/2011

(U//~~FOUO~~) The WBC activities evoke a strong emotional response from observers and a tendency towards violent threats directed at the WBC members. The WBC picketers are typically protected by a strong local and state law enforcement presence. These pickets also attract a large number of counter-protestors. With the 03/02/2011 decision of the U.S. Supreme Court affirming WBC's right to protest, the activity and threats are likely to continue.

I just got off the phone with [REDACTED]. He has been made fully aware to expect that the Phelps will bring out signage that will say that they are holding services, which will force the group to move from the neighborhood. I also reminded him that traffic issues will shut them down as well and to avoid any congestion to the streets and neighborhood. He was also told that he cannot focus picket a particular address.

The group is still trying to get a neighbor to give them access to their yard. Once that address is known, [REDACTED] will make that available to the police department.

b6
b7C

[REDACTED] has been made aware that we are on limited resources. Despite being informed that he will not change WBC behavior/actions by this activity, he still is planning on being at 10th/Gage and is now talking about going to the area of their law firm. He doesn't know where it is and I didn't volunteer that information. I discouraged him from spreading people out in too many locations, as it will affect community safety should something go bad. He will let me know if they decide to go to the law firm at a later time.

He still has no idea as to the number of people to expect. They are still planning on gathering at 10th/Gage this Saturday morning by 10:00.

[REDACTED] is planning on CCing me on an amended e-mail that he plans to send out. I will forward when I see it.

b7C

The start time has been loosely set for Saturday, July 9th between 10:00 and 10:30AM and the gathering point is SW 10th/Gage Blvd. The group has plans to send participants to the WBC compound, to the sidewalk on the east side of the complex.

[redacted] contact information: C [redacted] H [redacted] e-mail [redacted]
[redacted] Web site (which has been apparently disrupted) is [redacted] It is currently not functional.

b6
b7C

[redacted] came into the LEC July 5th, to inform us of his intentions. He was provided a copy of the City of Topeka picketing ordinance and has been advised to adhere to all city and state law.

It is their intention to have a peaceful presence with the goal of getting the WBC to stop including military members in their national pickets.

Background on Minutemen of Kansas & [redacted]

b6
b7C

[redacted] a local chapter of the Minutemen Civil Defense Corps. He joined the Minutemen group early 2006. He is [redacted]

[redacted] and hails out of [redacted] Kansas. He speaks out against illegal immigration. The group is focused on protecting the United States border, targeting employers and contractors that employ illegal aliens, organizing "Tea Party" rallies, and now wish to stop military funeral pickets via WBC. (Source kmbs.com Kansas City, MO August 16, 2006 on-line article.)

Johnson County Sheriff's Office Undersheriff [REDACTED] reports that they are aware of his heavy involvement with Minutemen, Patriot Guard, etc, but not so much "anti government" or that [REDACTED] is "dangerous". He is also known to lobby legislature for retiree benefits. They have never had feedback from other agencies that any organized event turned violent or disruptive.

Threats by Organized National Groups:

No specific or credible threat information against the WBC or Minutemen of Kansas & Missouri reported at this time.

Threats by Organized Regional Groups:

No specific or credible threat information against the WBC or Minutemen of Kansas & Missouri reported at this time.

Threats by Local Groups or Individuals:

No specific or credible threat information against the WBC or Minutemen of Kansas & Missouri reported at this time. This action may anger the WBC members and family, which could cause a disturbance in the neighborhood once activity is initiated.

Law Enforcement Preparations on a Local Level:

The Topeka Police Department has been informed of the activity for our situational awareness. The number and groups involved is unknown at this time, as the event was made public via e-mail and word of mouth. The event had not been shared via social media i.e. web site. Area patrol units or motorcycles should consider patrolling the area around the compound and 10th/Gage Blvd. locations.

Security:

No security is being provided. Participants expected to be involved include, but are not limited to, retired law enforcement, patriot guard, Kansas and Missouri Minutemen, and citizens (individually or as a group).

Parking:

Will be limited and Gage Park will be the primary parking location. The group is actively contacting area residents to get use of driveways for parking. On the street parking, though limited, will be used.

Safety Concerns for Topeka Citizens:

Area residents will be affected due to the potential for large number of participants. Traffic flow could be affected, if cars congest the neighborhood and surrounding streets. The potential for disturbance or clash between the WBC members and participants is expected. It is not clear if the group will be away for travel or in Topeka July 9th.

Conclusion and Recommendation:

The Topeka Police Department should send area cars or motors to the area of the WBC compound and park location at SW 10th/Gage Blvd to monitor for peaceful activities and that city and state ordinances are being enforced.

assessment should be continued. In order to make this determination, the file was reviewed and the following observations noted.

(U//~~FOUO~~) During the file review period, members of the Westboro Baptist Church continued their protests throughout the United States. In May 2011, they indicated their intentions to travel to Joplin, Missouri, which had recently been devastated by a large Tornado. President Obama was scheduled to address the citizens. Westboro Baptist Church members intended to picket. An FBI SIR was published regarding the May 29, 2011 planned protest identifying individuals who may pose a threat for violence. Members of the Westboro Baptist Church were unable to get to Joplin, in that they were boxed in for hours at a service station preventing their arrival at the appointed time. At least one threat received during the review period is still pending as a [REDACTED]

(U//~~FOUO~~) During the file review period, SA [REDACTED] disseminated WBC planned picketing activities to LEO's in other jurisdictions in order that they might be prepared for counter-protesters and any accompanying violence. Among the most notable were the many law enforcement agencies with whom he coordinated the Joplin, Missouri trip. He also distributed information regarding a planned picket in Savannah, Georgia, and documented other planned protests to the file.

(U//~~FOUO~~) [REDACTED]

[REDACTED] For background, the WBC conducted more than 40,000 pickets in more than 780 U.S. cities the past 20 years. The message put out by WBC and its members was that "God hates the United States due to the U.S. tolerance of homosexuality," and that, "U.S. soldiers are dying because of God's anger toward this tolerance of homosexual lifestyles being permitted in the U.S." Since June 2010, the [REDACTED] has seen a dramatic increase in the number and severity of threats toward the WBC. The [REDACTED] developed relationships with leaders of the WBC in order to collect information regarding the source of these threats. As a result, the [REDACTED] has been able to provide intelligence to local,

state, and Federal law enforcement partners where WBC members conducted their pickets.

(U//~~FOUO~~) The WBC activities evoke a strong emotional response from observers and a tendency towards violent threats directed at the WBC members. The WBC picketers are typically protected by a strong local and state law enforcement presence. These pickets also attract a large number of counter-protestors. With the 03/02/2011 decision of the U.S. Supreme Court affirming WBC's right to protest, the activity and threats are likely to continue.

Synopsis: The purpose of this communication is to memorialize ongoing assessment of threats to WBC related to WBC pickets to funeral services of U.S. soldiers killed in Afghanistan on approximately 08/06/2011 and to claim statistical accomplishments.

Details: On 08/08/2011, the writer received queries from the Norfolk, Virginia Field Office regarding the potential for members of the Westboro Baptist Church (WBC) to conduct pickets at funerals for approximately 30 U.S. soldiers killed in action in Afghanistan on approximately 08/06/2011. The writer was provided SSA [REDACTED] and TFOs [REDACTED] and [REDACTED] Norfolk Division, as contacts for intelligence related to this issue.

The writer provided SSA [REDACTED] and TFOs [REDACTED] and [REDACTED] with a brief explanation of the WBC procedure for scheduling and conducting a picket. The writer advised the WBC would post the picket on their website, contact the law enforcement agency (LEA) with responsibility for the geographic region, and would abide by local statutes for obtaining the appropriate permit(s) as required. The writer agreed to keep SSA [REDACTED] and his office apprised of any planned WBC pickets

related to the aforementioned incident and situational awareness of threats to same.

On 08/08/2011, the writer and TFOs [] and [] met with WBC members [] and []. The writer requested the meeting to clarify information during the threat assessment process. Both [] and [] confirmed they do not picket events they have not posted on their website. Furthermore, WBC may schedule a picket, but cancel if they recognize a problem and/or a threat. [] stated they are not martyrs nor do they want law enforcement or anyone to get hurt at their pickets - they simply wanted to get out their message. [] confirmed they always contact the LEA with primary jurisdiction over the region they intend to picket. [] also stated they always conform to the local LEA's direction as to where to set up their picket. However, [] added, the local LEA did not always do a good job at keeping counter-protestors away from the designated area for WBC members as they conduct their picket.

b6
b7C

At this time, neither [] were aware of any threats to the WBC. [] advised they monitor and screen all incoming messages to their website(s). [] agreed that they will continue to share potential threats with the FBI []. [] advised the WBC did not intend to target each of the approximately 30 funerals for U.S. servicemen killed in the aforementioned incident. However, they may picket a memorial service if one were scheduled for the group. At the time of this discussion, there was not such a memorial service scheduled.

Following the meeting with [] and [] the writer communicated to SSA [] details of how WBC prepares for and then conducts a picket. The writer informed SSA [] the WBC will not picket each individual funeral from the aforementioned action. However, the WBC would picket a memorial service if/when held for those service members. The writer also informed SSA [] the WBC would contact the LEA with jurisdiction to arrange a place and time for their planned picket.

b6

Since the initial conversation with SSA [] and continuing to the present, the writer has maintained contact with members of the WBC and awareness of the WBC picket schedule. Just thought I'd let you guys know that Sgt Mycal Prince is not only a fallen soldier but also a fallen police officer. There will be hundreds of police officers in attendance. Also, Oklahoma is a lot different than other places in the country. Police have a way of covering things up here. If you are looking for police protection at this funeral you won't get any! I can assure you of that! And by the way, I wouldn't speed through town! Sent from (in address):

assessment should be continued. In order to make this determination, the file was reviewed and the following observations noted.

(U//~~FOUO~~) During the file review period, members of the Westboro Baptist Church continued their protests throughout the United States. In August 2011, they indicated their intentions to protest in Kansas City at the site of an American Idol television production, to protest in Wichita, Kansas at the Mid-West Catholic Family Conference in Hays, Kansas, at the funeral of an Army soldier, and in Osage County, Kansas during the trial of a quadruple homicide trial. Most notably, members of Westboro Baptist Church expressed their intent to protest in Norfolk, Virginia at the funeral of 30 U.S. Navy Seals killed when a helicopter was shot down. SA [REDACTED] was able to liaison with members of the Westboro Baptist Church and disseminate information to law enforcement in the above jurisdictions in order that they might apportion resources and respond appropriately.

Come to Happy Valley Saturday and see what happens to you. We're proud people; proud of where we come from and what we stand for. You talk about other people going to hell. I really don't think you know anything about god. You're the one doomed for hell for judging other people. You want to know why you say stuff about college, probably because every single member of this cult is uneducated. I'd like to see you on judgement day. You're going to be burning in hell. First and foremost, you are not any religion...you are pathetic excuses of flesh that know nothing of religion. GOD DOESN'T HATE and who the HELL are you to judge? You are nothing but SATANIC HELPERS.

Second, there has been enough pain in State College and the poor innocent boys that suffered at the hands of Sandusky don't need your pathetic excuse of a riot occurring. I truly hope that with the outrage in the area, the tailgating fans who have stand behind their ulma matter and the overall tension present on Saturday that your organization is put in their place. No, they can't send you to HELL where you belong....but they can make you wish you were there! You are not welcome there and I have a feeling you will see that rather quickly.Sent from (ip address): [REDACTED]

The WBC picketers are typically protected by a strong local and state law enforcement presence. These pickets also attract a large number of counter-protesters. Westboro Baptist Church Picket Schedule

Sprint Center in Kansas City, MO *May 11, 2012 6:45 PM - 7:30 PM*

Westboro Baptist Church will picket Miranda Lambert.

We offers only truth to all, and all get the same truth.

Miranda Lambert lives in adultery with Blake Shelton. The teachers of rebellion comfort her in that sin. Dateline did a puff piece about Blake Shelton dumping his wife so he could whore with Miranda Lambert. Shameful sluts tossed verbal fluff-balls back and forth to turn this pig car into a silk purse, to wit:

NBC Hodda: A lot of people were watching two people on stage fall in looooooove. [GAG]

Miranda the Minx: Titter-titter...That's right...blah, blah, barf in my mouth...blah, blah!

NBC. Hodda: But there was a problem.

Mendacity riddled Miranda: Yes, there could not be ... because he was married, and little of me can't break up ... blah, blah, more barf in my phony mouth. They go on to describe how Blake got rid of his wife so he could have the whore.

Proverbs 22:14 The mouth of strange women is a deep pit: he that is abhorred of the LORD shall fall therein.

Luke 16:18 Whosoever putteth away his wife, and marrieth another, committeth adultery: and whosoever marrieth her that is put away from her husband committeth adultery.

WBC warns the living! Thou Shalt Not Commit Adultery.

KSU Graduation Another class of young people have processed through the sausage grinder called Kansas State University.

Westboro will again stand in for the parents, preachers, teachers and leaders that failed those children. They will NOT hear and heed our warning. The cause is from God, he will destroy this land. The moth is already eating the very fabric of the Doomed american garment. The parents should have taught their children and their parents taught them and so forth. God said to train up a child in the way he should go and when he is old, he will not depart from it. God is showing destruction to this generation that has not been seen by generations that went before. We have reached the season of the Whirlwind. Stay tuned.

Proverbs 22:6 Train up a child in the way he should go: and when he is old, he will not depart from it.

Joel 1:2 Hear this, ye old men, and give ear, all ye inhabitants of the land. Hath this been in your days, or even in the days of your fathers?

3 Tell ye your children of it, and let your children tell their children, and their children another generation.

Jer. 23:19 Behold, a whirlwind of the LORD is gone forth in fury, even a grievous whirlwind: it shall fall grievously upon the head of the wicked.

KU Lied Center in Lawrence, KS *May 12, 2012 12:15 PM - 1:00 PM*

Another class that has come out indoctrinated with the mantra "it's ok to be gay" and will undoubtedly fight for fags to have any and everything that they desire. Fags are NEVER going to be satisfied and this generation has bought their sinful, perverted, chant hook, line, and sinker. They have no choice, how else are their sins justified. When

KU Memorial Stadium in Lawrence, KS May 13, 2012 9:30 AM - 10:15 AM

Westboro Baptist Church will picket at the KU Memorial Stadium for the 2012 KU Graduation. Many generations have passed through the KU Rebellion Sausage Grinder. As a child, jogging around Westboro Park, a well-to-do Jewess, student at KU, joined me for a part of my jog. She informed me of how KU was such a wonderful school. At a point she said it was such a liberal school. I was young and I misunderstood her. I thought she said LITTLE. She wanted to make it perfectly clear that she said LIBERAL, and then exactly what that meant.

She was wrong about what it meant. It meant, destruction was on the way. When the institutions of so-called "higher learning" began to endow Seats of Scorn to mock and scoff at God and his word, they did that against their own interest and the interests of their people. God has so cursed this nation, that a huge part of the national debt and national energy goes toward trying to figure out what is wrong. The answer is so blessedly simple, that the servants of God watch in stary eyed amazment at that marvelous Work of God.

Begin with this, every woman has a head. It is her husband or her father. Teach your daughters to obey God, and to keep that landmark in place.

Simple, NO? NO, because you taught your daughters to be proud, disobedient, whores. You call them fluff words like "independant" and "capable" and "smart" etc. God calls you children of disobedience.

If you tell that standard to almost any human in this generation, you will get such blowback, it will consume you, because you have no anchor. God calls the words you prop up as a substitute for OBEY, a garment. The garment includes "I'm sensitive. I don't like those words....," "You won't win people over if you say that....," "I'm not there....," "I'm all grown up, I can run my own life...." etc. As the song says, "You look like a fool, you think your running this town, but your runnin out of time!"

WBC will stand in the gap and remind your children of their duty to fear God and KEEP his commandments! No fags, no whoredom, no words to cover your sin. Shhhhhhhh. Obey.

Fort Hood Army Base in Killeen, TX May 19, 2012 8:15 AM - 9:00 AM

Westboro Baptist Church will picket the largest military base in the world, again.

God sent the shooter to you and gave you a taste of his fierce wrath! Westboro stood at your base on January 3, 2008, and you foolish rebels came out to harrass us. You did not heed or hear.

So, God sent the shooter to you, and on November 10, 2009, we returned with more words of warning and dot connecting! You did not heed or hear.

We will come again, and warn again, as that is what we are in this earth to do! We recommend that you listen to us, and that you hear the Rod of God and who appointed it to you! God said: Thou Shalt Not Kill! WHAT ARE YOU DOING IN THOSE FOREIGN LANDS, MURDERING THEIR PEOPLE AND COMMITTING OTHER CRIMES AGAINST THEM?! God sent them to punish you, you should have repented and shut your mouths, but NO, not this arrogant nation, you said: REVENGE!! How's that working out for you?!

Isa 34:2 For the indignation of the LORD is upon all nations, and his fury upon all their armies: he hath utterly destroyed them, he hath delivered them to the slaughter.

You dummies think you can beat God?! THAT is why you are still in a war and bring home your rotten, rebellious, no-good children in body bags! What can be added to these good words? I know, a song. Songs drive a point home:

Parody of that filthy and in hell beast, Queen's Freddie Mercury's *Another One Bites the Dust*

Fort Sam Houston Army Base in San Antonio, TX May 19, 2012 11:45 AM - 12:15 PM

Westboro Baptist Church will picket Fort Sam Houston Army Base. Where God throws the choppers and airplanes out of the sky in his wrath! Where the rebels rage and shake their puny fists at God and God laughs at them and kills some more of them.

First United Methodist Church in Brownsville, TX May 20, 2012 9:30 AM - 9:55 AM

Westboro Baptist Church will cry against this altar. God hates fags. God hates women preachers. Methodists prop up the dyke and calls her skanky backside a preacher. Shame on you! You are not a Church of the Lord Jesus Christ, you are a studfarm for jackasses and a whorehouse for queers and you are a Leper Colony and you are a Dog Kennel, but you have nothing to do with God and His Word.

So in the tradition of the Servants of God that went before us, we will stand flat-footed on the ground and with no apology, we will warn you that if you don't COME OUT of that filth, and be ye separate, and touch not of her abominations, you will go to hell with the lying pervert that you call a preacher.

Jonah 1:1 Now the word of the LORD came unto Jonah the son of Amittai, saying,
2 Arise, go to Nineveh, that great city, and cry against it; for their wickedness is come up before me.

Revelation 18:4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

God is killing your children for your proud sin, and yet you will not repent. The day comes when you will not get to have the chance to repent.

Brownsville Community Fellowship Church in Brownsville, TX May 20, 2012 10:05 AM - 10:30 AM

Westboro Baptist Church will stand outside this House of Idols and remind you that God requires that you fear and obey him. If you, he will destroy your nation and send you all to hell. Hell is not running out of room! God is not impressed by world-wide rebellion. God is not interested in your new face of a kinder-gentler god. He said here is my Word, your duty is to fear and obey ME and My Word.

Ec 12:13 Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man.

Re 14:7 Saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters.

Stop lying on God. You can say God loves everyone, but the lie will be confirmed when you drop into hell! How wrong is that?! The blood of every last soul that drops into hell because of the lying doctrine of Satan that God loves everyone, will be required at the hands of the Whore that you call a preacher!

Livingway Family Church in Brownsville, TX May 20, 2012 10:30 AM - 11:00 AM

Westboro Baptist Church will stand outside on a public right of way and warn all that go into this House of Horrors that has sucked you in with their fraud of a name: THERE IS DEATH IN THAT POT, RUN FROM THERE, FLEE THE WRATH THAT FOLLOWS ALL THAT ENTER THEREAT!

Break it down: Livingway - WTH?! Christ on that:

Joh 14:6 Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me. Joh 14:15 If ye love me, keep my commandments. Mt 5:27 Ye have heard that it was said by them of old time, Thou shalt not commit adultery: Lu 16:18 Whosoever putteth away his wife, and marrieth another, committeth adultery: and whosoever marrieth her that is put away from her husband committeth adultery.

Bring it home! You fill your pews with divorced and remarried adulterers, and then promise them life! NO, hell comes next for them! Plus, you give all moral authority UP because you will NOT OBEY GOD! Dummies, the fags know that! You have taken away your ability to tell the fags, for the sake of your soul and of their soul:

Le 18:22 Thou shalt not lie with mankind, as with womankind: it is abomination. Le 20:13 If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them. Lu 17:32 Remember Lot's wife.

This is how you turned the country over to the fags, and you will all come home in body bags, and hell will follow, for eternity!

Lawrence High Stadium in Lawrence, KS May 20, 2012 3:15 PM - 3:45 PM

WBC will picket the Lawrence High graduation. What a mess the parents, leachers, preachers, and leaders have made of these kids. They are arrogant and brutish and do no wrong in their own eyes. Had you done your Deuteronomy 6 duty to them as they were growing up, maybe God would have had mercy on a few of them. Not so. This is the sad state those children are in (and you are to blame for it, because you taught them to be this way)

There is a generation that curseth their father, and doth not bless their mother. There is a generation that are pure in their own eyes, and yet is not washed from their filthiness. There is a generation, O how lofty their eyes! and their eyelids are lifted up. There is a generation whose teeth are as swords, and their jaw teeth as knives, to devour the poor from off the earth, and the needy from among men. Proverbs 30:11-14

Now is the time to look into these matters for yourself - you will be held accountable! Obey your God - today!

Missouri Southern State University (Young Gym) in Joplin, MO May 21, 2012 5:45 PM - 7:00 PM

Westboro Baptist Church will picket at Missouri Southern State University (Young Gym), where Joplin High School Graduation will happen. There, Anti-Christ Obama will be speaking to a GodSmacked people, at ground zero.

God poured out his wrath on Joplin, MO last May, and sent many of the inhabitants straight to hell. He sent the whole town, the whole state and the whole nation into the house of mourning. You are Esau!

Malachi 1:3 And I hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness.

4 Whereas Edom saith, We are impoverished, but we will return and build the desolate places; thus saith the LORD of hosts, They shall build, but I will throw down; and they shall call them, The border of wickedness, and, The people against whom the LORD hath indignation for ever.

Worse and more is on the way, as when the servants of God appeared to bring you the only message of hope, you set upon them.

For all those things, they did not repent, but have, a year later, flipped off God in bringing that filthy man, Obama, famous for promising to murder his grandchildren, and for making the way for the world to murder their babies at will, paid for by the government. He also has plowed a path for fags. This nation has fags marrying, signaling the coming final destruction of Doomed america.

Faithful servants of God will stand flat-footed on the ground and remind you of your blessedly simple duty to fear God and keep his commandments! You fail to heed that reminder, at your peril!

Sprint Center in Kansas City, MO May 22, 2012 6:45 PM - 7:30 PM

Westboro Baptist Church will picket at Sprint Center where Van Halen will be pimping hell. The message bellowing from their considerable microphone is adultery, fornication, sodomy, anything you like to do, it's just fine!

A whole generation has been raised on lightness and lies. Add to that the sorceries that keeps the masses drugged up and confused. God set a bright clear standard. He said teach it to your children and they to their children and that way, the blessings of God will cover your nation. Van Halen and their ilk have done just the opposit. They taught rebellion against God. The blood of those that are lead astray, will be required at Van Halen's hands, including their handlers, promoters, and everyone that enables and encourages them.

To be clear. Valerie is the wife of Eddie Van Halen. She is the mother of his son. When he put her away and married Janie, he declared plainly that he would not obey God.

The Lord Jesus Christ said that if you divorce and remarry, you are living in adultery.

Luke 16:18 Whosoever putteth away his wife, and marrieth another, committeth adultery: and whosoever marrieth her that is put away from her husband committeth adultery.

Exodus 20:14 Thou shalt not commit adultery.

Matthew 5:27 Ye have heard that it was said by them of old time, Thou shalt not commit adultery:

Your duty is to fear God and OBEY his commandments and give the glory of HIS works, to him.

Arlington National Cemetery in Arlington, VA May 28, 2012 9:00 AM - 11:00 AM

WBC to picket the wreath laying ceremony at Arlington National Cemetery on Memorial Day.

Quit worshipping the dead!!

God Almighty continues to kill your children, but you are alive. You still have the opportunity to heed the Word of God, obey Him and repent. Your dead children don't. You don't need to "memorialize" them. You need to heed the warning.

Lu 13:1 There were present at that season some that told him of the Galilaeans, whose blood Pilate had mingled with their sacrifices.

2 And Jesus answering said unto them, Suppose ye that these Galilaeans were sinners above all the Galilaeans, because they suffered such things?

3 I tell you, Nay: but, except ye repent, ye shall all likewise perish.

4 Or those eighteen, upon whom the tower in Siloam fell, and slew them, think ye that they were sinners above all men that dwelt in Jerusalem?

5 I tell you, Nay: but, except ye repent, ye shall all likewise perish.

All the memorial days, wreaths and flags won't bring back a single one of those dead soldiers.

Jer 16:5-6 For thus saith the LORD, Enter not into the house of mourning, neither go to lament nor bemoan them: for I have taken away my peace from this people, saith the LORD, even lovingkindness and mercies. Both the great and the small shall die in this land: they shall not be buried, neither shall men lament for them, nor cut themselves, nor make themselves bald for them.

Re 14:7 Saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters.

Re: 266O-KC-93770, 05/18/2012

Background: The Westboro Baptist Church is located in Topeka, Kansas. Its members have picketed the funerals of military servicemen and slain law enforcement officers based on the belief that their deaths are God's punishment for tolerating homosexuality. They have traveled nationwide picketing funerals, schools and other public events, provoking hostile counter-protests. Their actions have been the impetus for several new state laws regulating protests at funerals as well as the target of highly publicized civil law suits. The church is led by Fred Phelps.

On Tuesday morning, November 30, 2010, Fred Phelps' [redacted] and four other members of the Westboro Baptist Church staged a protest at the Mulvane High School in Mulvane, Kansas, located just south of Wichita. Mulvane, coincidentally, is the home of the Patriot Guard, a group composed primarily of veterans who routinely travel to Westboro protest events with the intention of "shielding" mourners and/or persons targeted for protest. The Mulvane protest was in response to two openly gay students who attend the high school. The planned picket was publicized on the Westboro Baptist Church website, www.godhatesfags.com. Following the picket, the Westboro Baptist Church group was going to the Wichita Police Department to file a complaint with Internal Affairs regarding the actions of the department during a demonstration occurring the previous month.

b6
b7C

Sedgwick County Sheriff's Deputy [redacted] was monitoring the protest at the Mulvane school. After the group left, he noticed a vehicle following the Church members. The officer stopped the vehicle and the driver of the car identified himself as a Marion County Kansas law enforcement officer who claimed to be protecting [redacted] and others. The officer then let him go. The officer contacted law enforcement authorities in Marion County and learned that the individual he stopped was, in fact, not a law enforcement officer. The deputy decided to locate the individual and arrest him for Impersonation. The subject was eventually found parked outside Wichita City Hall, where [redacted] were inside meeting with police. The subject, [redacted] was sitting in his Ford Expedition backed into a parking spot a few rows from the protesters vehicle. In a gun case on the back seat was an M-4 variant assault rifle with three loaded 30 round magazines. In a backpack on the back seat was a loaded .38 revolver and a loaded Glock pistol. [redacted] an Iraqi War veteran, [redacted] was taken to the Sedgwick County Sheriff's Office in Wichita, for questioning.

[] admitted that he was following [] but insisted he was there to protect the public. He denied having the specific intent to shoot anyone. However, he added that, rather than have one of his Patriot Guard members put away for killing one of the church members, he would take the fall. He stated that he would shoot the church members if it was necessary to protect the public. b6 b7c

[] was arrested by the Sedgwick County Sheriff's Office on charges of Stalking, Impersonation, and Operating a Vehicle with a Revoked Driver's License. The weapons were seized and the purchase/ownership history pursued.

[] provided consent to search his cellular telephone and computer. Local authorities copied the contents of his telephone and were making arrangements to obtain his computer. Text messages obtained from [] cellular phone yielded potential evidence of premeditation, intent, and conspiracy. Specifically, text messages dating more than a week prior, exchanged between [] and friends [] revealed communications that implied knowledge of [] intentions, collaboration on choice of a weapon and, discussions about escape. b6 b7c

During a follow-up custodial interview on 1 December, [] confessed that he was going to shoot "them" [presumably Westboro protesters] but had been talked out of it by [] she allegedly encouraged him to run church members off the road as an alternative. Later in that same interview, [] said that, if he had shot one, he would have kept shooting and shot them all.

[] was committed to the Topeka Veteran's Administration hospital for evaluation [] On 08/12/2011, [] advised investigators that part of his recent plea agreement was 2 years of probation, no guns in his possession, and mandatory mental health counseling. b6 b7c

[] advised that he no longer has an interest in the Westboro Baptist Church. He advised that he will always want to attend the funerals of fallen soldiers, but has no interest in causing trouble and apologized for his previous actions. [] admitted that

he was mentally in a bad place at the time. [] has a restraining order filed against him by Westboro Baptist Church. [] advised that he was currently involved with the local VFW and assisting them in counseling other returning veterans from Iraq and Afghanistan.

[] was again revisited by investigators on 05/17/2012 and he stated that he was still receiving mental health counseling through the Veteran's Administration and he appeared to be enjoying life and indicated that he wasn't depressed. [] stated that things were going well for him and that he was keeping busy, through use of a new service K-9 dog, with several activities and hobbies. He also indicated that he was fine financially and with his family. b6 b7C

[] also conveyed that he regularly reports to his probation officer which consists of drug and alcohol testing. He admitted his desire to possess his guns again in order to target shoot but realizes that, as a part of his court ordered conditions for probation, he has to wait until he is off of probation. [] also expressed to investigators that he has grown emotionally and there is no interest in harming the Phelps family or anyone else. b6 b7C

Based on [] recognition of his own mental state in November 2010 along with his willingness to seek counseling and [] the investigation has not revealed any attempt by [] to contact members of the Westboro Baptist Church or be anywhere near them at any time. Therefore, it is requested that the Wichita RA close this investigation.
